Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 27-29 to groups II, III and IV non-elected without traverse. Accordingly, claims 27-29 have been cancelled.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- a. Claims 27-29 have been canceled.

Allowable Subject Matter

3. Claims 1-26 are allowed.
4. The following is an examiner's statement of reasons for allowance:

With respect to independent claim 1, the prior art of record fail to anticipate or render obvious the claim in its entirety, but especially the limitations of: "second projecting means for projecting said plurality of first projected images to a three-dimensional projection model to generate a second projected image; virtual image pickup means for virtually picking up said second projected image; three-dimensional projection model determining means for determining a position of said three-dimensional projection model and a shape thereof; and pickup situation determining

means for determining an image pickup situation of said virtual image pickup means, said second projected image being picked up by said virtual image pickup means in the image pickup situation determined by said pickup situation determining means to combine the plurality of images taken by said plurality of image pickup means” as claimed.

Independent claim 23 is a method claim corresponding to apparatus claim 1.

With respect to independent claim 22, the prior art of record fail to anticipate or render obvious the claim in its entirety, but especially the limitations of: “second projecting means for projecting the plurality of first projected images to a spherical surface to generate a second projected image; and converting means for spreading the second projected image on a plane round one point on said spherical surface” as claimed.

Independent claim 26 is a method claim corresponding to apparatus claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
